

# ATTENTION

## Before and After School Pick Up/Drop Off Area

We continue to work on keeping students safe. This pertains to before school, during school, and on the way home from school. Below you will find some reminders about the

### **Before/After School Pick-Up/Drop-Off Area.**

To maximize the safety of all students when they are delivered to school in the morning and picked up at the end of the day we are asking you to follow these guidelines:

- \* **Form ONE single lane of traffic.** Keep pulling forward as space becomes available. Vehicles are to keep moving up in a single line. Drop off/pick up students near the \*\*\*\*\* on the map.
- \*As soon as your child is dropped off/picked up, you should be able to leave your spot so others can move up.
- \*Please unload/load as quickly as possible. (Remember there are cars waiting behind you).
- \*Do **NOT** leave your car unattended in the pick up/drop off area.
- \*Students will not be allowed to cross into the parking lot unattended.
- \***NO PARKING** is allowed except in the Parking Lot. If you need to leave your vehicle, please park in the parking lot.
- \*As with most parking lots, they are not designed for the increased amount of traffic we've seen. Car pooling, using bus transportation if available, or walking with a buddy to school are all options.

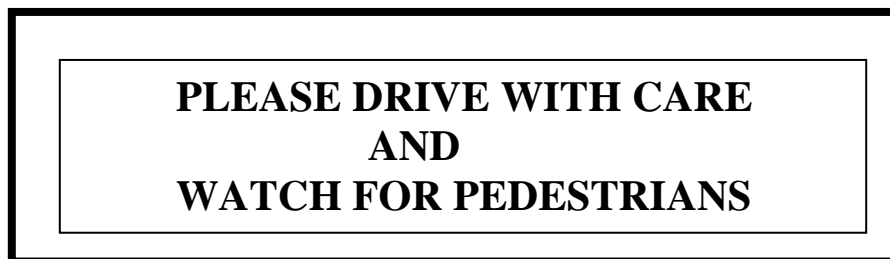

**We appreciate your full cooperation to this matter in keeping all students safe.**

**\*\*\*\*\*A school staff member will be out in the a.m. and p.m. to help direct parent traffic. Please cooperate with their requests to keep children safe.**

### **PLEASE CONSIDER:**

- Car pooling with friends/neighbors.
- Students ride the bus if bussing is provided.
- Students walk to school.

**Thank you for helping keep JES students safe!!!**

**THANK YOU FOR YOUR COOPERATION IN THIS MATTER**
